

June 30, 2017

Hon. Stacy L. Ruble, Secretary
Postal Regulatory Commission
901 New York Avenue NW, Suite 200
Washington, D.C. 20268-0001

Dear Mr. Ruble:

In connection with the Commission's rules pertaining to periodic reports, 39 C.F.R. § 3050.25, I am submitting today copies of revised Quarter 2 Fiscal Year (FY) 2017 Billing Determinants for the Special Services mail class in the Market Dominant Products Billing Determinants.

I have uploaded an electronic copy of the file to the Public folder on the United States Postal Service Secure Large File Transfer Web Application portal (USPS SLFT). This file replaces the Special Services subpart of the Quarter 2 FY 2017 Market Dominant Products Billing Determinants, which Maria W. Votsch transmitted to you on June 6, 2017. The Market Dominant Products Billing Determinants are public and may be posted on the Commission's website.

The revised Special Services Quarter 2 Billing Determinants corrects the Electronic Address Correction Service revenues and volumes in the "G-1 Address Correction" tab; the revised cells are highlighted. The data reported in the preliminary RPW, and therefore in the billing determinants filed on June 6, incorrectly were duplicates of the data reported for Quarter 1 FY 2017. The RPW corrections will be made when the annual RPW is filed.

If you have any questions regarding this submission or the discussion above, please do not hesitate to contact me.

Sincerely,

/s/
